SUBJECT: Friday Update

All,

Just a review of Monday's City Council Agenda:

- Economic Development Commission- Appointment of Christine Ubbink, Mike Carson and Reese Browning to the Economic Development Commission.
- Reappointment of Jennifer Costa to the Historic Design Review Commission.
- An agreement with Peckham & McKinney for the amount of \$25,000 for recruitment services for the position of Administrative Services Director.
- Fiscal Year 20-21 Mid Year Budget Adjustments adding \$512,281 in increased revenues to the General Fund and adjusting expenditures by \$469,949 and cash reserves by \$82,209.
- Homeless/Transient Strategic Plan Update.
- Fire Department Year End Report for 2020.

A couple more items:

- Staff is working with the Chamber, Old Town and Downtown Associations on Covid grants. Everything from dealing with trash to establishing pedestrian dining areas. A real teamwork effort which will produce some good results.
- Staff met with the California Endurance Coalition, a group which is advocating for the allowance of endurance races and charitable events under the Covid restrictions. We are working on legislation to get the State to allow organized events within certain Covid parameters.

Have a nice weekend.
